

## K-8 Summer Enrichment Opportunities

### SUMMER STUDY ISLAND and ACCELERATED READING

The summer months are undoubtedly enjoyable for our students, but we would like them to stay actively involved in skill review and development. For this reason, we are opening the LJV Computer Lab several days this summer. Students may come in and take Accelerated Reader tests on books they have read. They may also come in and work on Study Island, which is a great source of review in Math, Reading, Social Studies and Science. **Dates: June 18, 25, July 2, 9, 16, 23, 30, August 6 13, 20. Time 9:00 am - noon.**

### GERMAN AND PRE-ENGINEERING CLASSES AVAILABLE IN AUGUST AT LAKER JUNIOR HIGH SCHOOL

Students just completing grades 5 – 8, can join us in August for free classes in German and Pre-Engineering. Classes will be 1.5 hours in length and will run from 9:00 – 10:30 a.m., and again from 10:30 a.m. – Noon. Students may enroll for both subjects or just one.

**GERMAN:** The German course will cover basics of the language in a fun format. Learn and practice basic conversational German. Discover German culture and customs. Find out what happens in

German schools, by meeting a visiting student from Germany. Taste some special German dishes. Sign up now for this unique opportunity.

**PRE-ENGINEERING:** Pre-Engineering will cover renewable energy sources, Lego Robotics, Pro-Engineering Software, and much more!!

This program will run on the following dates:

August 4, 5, 6, and 7

August 11, 12, 13, and 14

August 18, 19, 20, and 21

This is a free program. Parents need only call to register and arrange for transportation. Only 25 seats available in each class section. **The first 25 calls will reserve a spot. Please make calls to Mrs. Dickens, at 453-4605.**
